You'll go if I order you to go.
Four of you have to go...and,
Reynolds, you have been requested
specifically.

Me? Why me?

BRANDON
Fucking Feds! Always looking for a
photo op to promote public
relations!

BRANDON
Well, send Reynolds. Send the new
guy. I don't care who you send.
But, I have just worked TWO
doubles in a row and I have NO
interests in either babysitting a
bunch of kids stealing rims, wigs,
and cigars or bustin' the heads of
a bunch of rowdy Afro Americans to
feel like our grandparents or to
relive some Bull Connor wetdream.
