

George Zimmerman

"...but, I thought we were living in the times of Paula Deen."

Can it be it was all so simple, then?

You stand a better chance

beatin' Sampras on grass up at Wimbledon.

You muthafuckin' simpleton.

Blastin' shit?

My nigga got twisted:

antagonist? antagonistic?

Stay blitz-ed,

off that bud.

Trey was my cuz.

What you thought?

Water thicka than blood?

What I say?

Knock on wood,

for the best.

But, still keep a vest.

They vested in blastin' niggas in they chest:

PROFITABLE business.
