

INT. ROOM--DOBS MEETING

Over the past days, the DOBs have been gathering logistics for possible licks. LONZO has narrowed the opportunities to the two mentioned earlier by ██████████. The DOBs discuss how to move forward.

██████████
So, it seems as though you were on

have been casing the Mascoutah Police and you two, Runga and Vaughn, yall been on Clayton, right?

VAUGHN

Well, I thought Clayton might be good for us, cause one of my classmates from high school works in the garage that does repairs for the Clayton PD vehicle...even them armored shits.

firin'

tear gas and shit from?

VAUGHN

Exactly. The BearCat But, hell, the tax base for Clayton...those people's pockets are deep. Clayton sent twenty officers, five cruisers, and three BearCats and they will miss nothing. Anything pop off in Clayton and the response will not be impeded by the federal allotments.
